LOCATION / USE

The subject property is located off of Rte. 72 in Stillman Valley, IL—east of Byron and Oregon and west of I-39.

This newer construction neighborhood center offers flex-style units ideal for retail, food, office, medical, service and more. Many units feature overhead door access for “industrial/flex” uses.

Available at a “buy it now” number, this center is the perfect home for your business while contributing rent income from the two existing tenants—OR—investors will note the favorable sq. ft. price allowing for a favorable return.
