AREA OVERVIEW

PAYSON, AZ

Payson, Arizona, offers a compelling alternative to other popular mountain destinations for Phoenix residents seeking a weekend getaway or second home. While Prescott, Flagstaff, Show Low, and Pinetop all have their charms, Payson distinguishes itself with a unique blend of accessibility, affordability, and a relaxed atmosphere.

Located approximately 85 miles northeast of Phoenix, Payson is the closest of these mountain towns, making it an easy 1.5 hour drive for a quick escape from the city's hustle and bustle. This shorter commute time translates to more weekend time spent enjoying the cool mountain air and less time stuck in traffic.

Vistas at Payson will treat residents to peaceful rural living with hikes, outdoor recreation, and outdoor attractions like the Tonto Natural Bridge; while maintaining access to Phoenix Metro and Scottsdale dining, entertainment, and attractions. Making this planned community an excellent destination for residents to call home, their second home, or their home away from home for seasonal residents.
