EXECUTIVE SUMMARY

Nearly 320 acres of expansive Northern Nevada land located just east of Sparks in Palomino Valley, offering a rare opportunity for development, recreation, or long-term investment. This GR zoned property allows for a wide range of uses including agricultural operations, recreational development, rural residential living, and potential resource-related uses.

The property features varied topography, including gently rolling terrain, elevated ridgelines, and natural view corridors with elevations reaching approximately 7,100 feet across portions of the site. Adjacent to Bureau of Land Management land on multiple sides, the property benefits from open-space surroundings and a uniquely secluded setting ideal for exceptional privacy and extended usability.

A half section of beautiful land, bordering BLM and approximately 8-10 miles from USA Parkway, 'as the crow flies'. Closest paved roads are Cordoba, La Mancha and Calle De La Plata. **Investment opportunity? Build your dream ranch? You decide!**

A RARE 320-ACRE NORTHERN NEVADA LAND HOLDING

±320-acre contiguous land holding located in the Palomino Valley area northeast of Sparks, offering expansive high-desert terrain, panoramic mountain views, and exceptional privacy. Situated near the growing Spanish Springs corridor, this rare half-section of GR-zoned land lies within the broader Truckee Meadows Regional Planning Agency planning region and along the eastern edge of Northern Nevada's continued growth path.

The property features varied topography including gently rolling terrain, elevated ridgelines, and natural view corridors, with elevations reaching approximately 7,100 feet across portions of the site. Bordered by Bureau of Land Management land on multiple sides, the parcel benefits from surrounding open space and a uniquely secluded setting ideal for recreational, ranch, equestrian, off-grid, or long-term land investment use.

Located within the Sparks Sphere of Influence and approximately 8-10 miles from USA Parkway. The property offers a compelling blend of privacy, regional accessibility, and long-term positioning within Northern Nevada's expanding development corridor.

The area is well suited for horses, livestock, outdoor recreation, and rural residential living. GR zoning allows for a variety of agricultural and rural residential uses. A small portion of the property adjoins Development Constraint Area (DCA) designated land associated with the Truckee Canyon / Spanish Springs regional planning framework. Utilities are not currently on site. Natural washes and drainage patterns may exist throughout portions of the property. Buyer to independently verify all permitted uses, development requirements, legal and physical access, utility availability, utility corridor proximity, well and septic feasibility, easements, CC&Rs, deed restrictions, subdivision potential, and all associated development costs.

Whether envisioned as a private retreat, recreational ranch, legacy land holding, or long-term investment opportunity, this expansive Northern Nevada property offers the scale, setting, and surrounding open space that are increasingly difficult to find.

EXPONENTIAL GROWTH

NEVADA HAS EMERGED AS ONE OF THE FASTEST-GROWING STATES IN THE COUNTRY

Located at the heart of the 11 western states, Nevada offers unparalleled access to key markets, reaching over 60 million consumers within a two-day transit across these states. The state is known for its business-friendly environment, with no corporate income tax, personal income tax, inventory tax, unitary tax, estate tax, inheritance tax, franchise tax, or special tangible gift tax.

Reno boasts exceptional transportation infrastructure and market reach, making it a hub for top-tier brands like Amazon, Zappos, Wal-Mart, Levi Strauss & Co., Sysco, and CDW, which have established warehousing, distribution, and fulfillment operations in the area. The region has also attracted major industrial and technology giants such as Tesla, Microsoft, International Gaming Technology, Lincoln Electric, Apple, and Switch Technology. Tesla and Switch, in particular, have each invested \$1 billion into the Reno economy.

Northern Nevada offers an exceptional quality of life. Within just 30 minutes, you can transition from the energy of the city to the serenity of Lake Tahoe. The state provides endless recreational opportunities, including skiing, fishing, boating, hiking, mountain biking, and off-roading, among many others.'

AREA PROFILE

The Biggest Little Start up Community

Northern Nevada is less traffic and more trails. Less smog and more slopes. It's a place where you can walk out of your office to a world-class whitewater park, attend a top-tier university, dine at award-winning restaurants and be part of a vibrant community. "[Northern Nevada] is now a city of sustenance as well as indulgence." - *The New York Times*

Northern Nevada is a very desirable area for all outdoor lovers. Being located at the base of the Sierra Nevada mountain range brings the "Biggest Little City" a lot of perks. One of them being, Lake Tahoe! A quick 30 minute to one hour drive, and you are at the northern shore of Tahoe and can begin to experience all the activities that this beautiful area has to offer. The Reno-Sparks-Lake Tahoe area has more than eighteen world-class ski resorts, sixty gaming locations, and over forty acclaimed golf courses. The glitz and glam of Las Vegas is a quick six hour drive southeast and for a big city feel, only four hours west and you have arrived in San Francisco!

The Economy

While the Northern Nevada area was primarily centered around gaming and entertainment in the 20th century, it has now grown to be a much more diverse economy with industries such as, healthcare, entrepreneurial startups, and technology-based companies.

Today, Northern Nevada is evolving to have a future as one of the United States' clean energy, technology, and entrepreneurial leaders. Northern Nevada is serviced with two major highways, Union Pacific railroads and a number of trucking and airline carriers. With all that access it makes it very easy to ship to 80% of the western states on a next day basis. This has caused an expansion of the distribution industry. The city is experiencing a slight change in its business base, with roughly 25% of the workforce working in the fields of construction, manufacturing, transportation, communications, and public utilities.

Companies such as Google, Tesla, Switch, Redwood Materials, Amazon and Blockchains continue to come and take advantage of all the open land Northern Nevada has to offer. This will bring thousands of employment opportunities for current residents and all future residents!

Top Place To Retire

Northern Nevada is the perfect place to retire! You'll find top-tier health care, affordable cost of living, and socializing opportunities year-round in Nevada. Looking in on loved ones is a breeze, with easy access to Interstate-80, Highway 50, and Highway 395. Start living the good life in the Silver State!
