AERIAL

LA QUINTA VILLAGE COMMERCIAL DISTRICT

51370 Avenida Bermudas is located in the La Quinta Village Commercial District, where business meets lifestyle. The area offers beautiful surroundings, great restaurants, shopping, and a welcoming desert atmosphere. The Village is one of the city's most active and walkable commercial areas, serving as a hub for local services, dining, retail, and community events. It attracts steady foot traffic from nearby residents, office users, and visitors throughout the year.

Old Town La Quinta is steps away and features a mix of cafés, restaurants, boutiques, salons, and specialty shops. The area is anchored by the La Quinta Civic Center Campus, library, museum, and community park, which drive daily activity and repeat visits.

The location provides strong visibility and easy access from Washington Street, with direct connections to Interstate 10. Surrounded by established neighborhoods, resorts, and golf courses, the Village supports service-based businesses that benefit from both local and visitor demand.

The setting blends a relaxed village feel with consistent commercial activity, making it well suited for office or retail users seeking a strong La Quinta presence.
