Re: Certificate of Entry in the National Register of Historic Places
Flint Mill No. 2 – Burlington Industries, Inc. Plant, 1910 Hunt Avenue, Gastonia, Gaston County,
(GS0495)
Listed: April 19, 2023

Dear Mr. Allen:

I am pleased to inform you that the above-referenced property has been entered in the National Register of Historic Places. An official certificate of listing and a copy of the nomination are enclosed. 1910 Hunt, LLC is most fortunate to own and preserve a property that justly deserves this honor.

The National Register has been called "a roll call of the tangible reminders of the history of the United States." It is, therefore, a pleasure for the Office of Archives and History to participate in this program and thereby make our nation aware of North Carolina's rich cultural heritage.

In order that we may keep our records up to date, it would be very helpful if you would notify us of any changes in ownership or of any major alterations to the property. We appreciate your partnership in preserving the best of our past for posterity.

Sincerely,

A handwritten signature in black ink, appearing to read "Darin J. Waters".
