Rochester, NY 14605

## PROPERTY DESCRIPTION

Ground Lease or Build-to-Suit opportunity on Main Street corner lot. Great location and traffic counts for a QSR/Drive-thru concept.

## LOCATION DESCRIPTION

The available site is at the corner of East Main and Alexander, in the city of Rochester, NY. East Main is a high-traffic street and is an eighth of a mile from the Inner Loop North on/off ramps. The site also has frontage on three streets, allowing for multiple curb cuts and access/egress options. The proximity to the Inner Loop North ramps makes this a high-performing Convenience/QSR area, with Fastrac, Delta Sonic, and Wendy's all busy at all hours of the day. Nearby drivers include Rochester's Public Market (less than a half mile), the Village Gate development (less than half a mile), Eastman Theater (half mile), and the Memorial Art Gallery (quarter mile).

Additionally, this site is just a quarter mile from the north end of Rochester's Inner Loop East project, which converted a sunken section of expressway to the east of Downtown to an at-grade "complete street" with multiple multi-family and mixed-use buildings built or underway.
