RE: Acquisitions at 5842 Greenville Loop

The City of Wilmington is proceeding with acquisition of Easements and Right-of-Way for the planned sidewalk project on Greenville Loop Road that was approved by City Council. Along the frontage of your property, the City needs to purchase 1,636 square feet (Sq.Ft.) of Temporary Construction Easement (TCE), 2,765 square feet (Sq.Ft.) of Permanent Drainage Easement (PDE), 130 square feet (Sq.Ft.) of Dual Utility Easement (DUE) and 91 square feet (Sq.Ft) of Right-of-way (ROW).

Attached is an exhibit of your property showing the size and location of the right-of-way and easements needed on your property. The updated offer amount for your property located in the R-20 Zoning District off Greenville Loop Road is \$14.00 per square foot. You have the right to compensate for the easements and Right-of-way the City needs for this project. TCEs are paid at 25% land value, PDEs and DUEs are paid at 90% land value, and ROW is paid at 100% of the land value.

The following offer is contingent upon the review by the Finance Office pursuant to the Local Government Budget and Fiscal Control Act (N.C.G.S. § 159.28)

ROW/PDE/DUE/TCE	Sq. Ft.	\$/Sq.Ft.	Total	TCE x 25%	PDE x 90%	Offer

OPTIONAL TCE 12 MONTH EXTENSION TO BE USED ONLY IF NEEDED:

Optional extension 12-month period	\$191.00/Month for 12 months	\$2,292.00
---------------------------------------	------------------------------	------------

The TCE will be used only during construction to allow for grading, planting, and movement of equipment. The TCE will expire 30 months after it is recorded with the New Hanover County Register of Deeds. The City also wishes to acquire an option to extend this TCE for an additional 12 months in the event an extension is needed. The offer amount for the initial TCE is shown below and is the compensation you will receive at closing if you sign the attached acceptance. The optional extension offer amount is a prorated amount you will receive if the City elects to exercise its optional 12-month extension.

If we are purchasing a right-of-way and there is a mortgage on the property, a mortgage release may be required at the City's expense before closing can be scheduled.

Enclosed is an ACCEPTANCE OF OFFER that states your acceptance of the terms. Also, enclosed is the GRANTOR INFORMATION FORM, GRANTOR RELEASE FORM (only required, if there is a mortgage on the property) and W-9 form. Please complete the forms per the enclosed instructions. Electronic signatures are accepted.

This acceptance is contingent upon the review by the Finance Office pursuant to the Local Government Budget and Fiscal Control Act (N.C.G.S. § 159.28).

Time is of the essence, so please take advantage of any following methods to return the enclosed documents to us. Documents can be returned via email with "**protected**" in the subject line, in the enclosed self-addressed stamped envelope, or I can pick them up. Once you have signed and returned the documents, the legal department will proceed with preparing documentation for closing.

Project Scope:

The Greenville Loop Trail is part of the rapidly expanding network of multiuse trails being planned and constructed in the City of Wilmington. It will make a connection from the recently constructed Central College Trail at the intersection of South College Road and Holly Tree Road then head east along Holly Tree Road, Pine Grove Drive, Greenville Loop Road, and Greenville Avenue to the River to the Sea Bikeway at the intersection of Greenville Avenue and Park Avenue. The River To The Sea Bikeway runs from downtown Wilmington to Wrightsville Beach. The Greenville Loop Trail will cover approximately 4.4 miles providing connections between schools, parks, shopping centers, and residential neighborhoods in the southeast quadrant of Wilmington.

Please visit the website below to see how the Greenville Loop Trail fits in to the overall infrastructure improvements and maximizes the use of public dollars by complementing and expanding upon existing trails.
