

Lakewood Ranch Medical Office Park

Optimal Outcomes x Newhaven Blvd Medical Park

Location & Demos

Strategically located in the heart of Lakewood Ranch, the 20,000 square foot medical office park sits between Orlando Health’s recently acquired 32-acre parcel and the 84-acre Erickson Senior Living community now under construction. The site offers exceptional convenience, with walkable access to The Green at Lakewood Ranch shopping center, as well as the new ALDI and Outback Steakhouse.

Lakewood Ranch is one of the nation’s fastest-growing master-planned communities, offering exceptional potential for expanding medical services. Its rapidly increasing population, strong household incomes, and established residential and commercial amenities create both immediate demand and long-term stability for healthcare providers. Centrally located between Sarasota and Bradenton, the area offers broad regional access and a thoughtfully planned environment that supports patient convenience and practice growth. For providers seeking a high-visibility, high-growth market with strong demographics, Lakewood Ranch is an ideal location for a new medical office.

This project will represent Optimal Outcomes’ third development in Lakewood Ranch, following the successful delivery of HealthPark I in 2020 and the planned groundbreaking of HealthPark II in early 2026.
