## AA 3854- Project Status and Planner Reassignment

Racusin, Elliot  
To me · Mon, Jul 22 at 10:22 AM

Good morning,

We have received your Traffic Scoping Letter.

We are waiting on a formal Traffic Study with related greenhouse gas and vehicle miles travelled reports per CEQA.

In addition, please continue to work with Site Plan Review staff for parking and related requirements.

This is my last week here at Fresno County; your assigned planner (CC'd) will assist you in your final step.

Thank you.
