Memorial Hermann
Katy Medical Plaza 3

Memorial Hermann Katy Hospital's expansion will add 115,000-square-feet of new and renovated service areas including nearly 100 beds mirroring Katy area's growing population.

In addition to the new Medical Plaza and Parking Garage, this major project also includes:

- Doubling the size of the Emergency Center
- 80 universal beds
- 2 additional operating rooms
- 6 neonatal intensive care beds & neonatal continuing care unit
- 6 antepartum beds
- Expansion of existing cardiac catheterization lab recovery area
- Adding labor and delivery rooms, including a cesarean section (C-section) suite and doubling the number of obstetrical emergency beds.

Memorial Hermann Katy is focused on expanding its capabilities in the areas of trauma and critical care medicine, neurosurgery, vascular surgery, thoracic surgery and more for those who live and work in the Katy area.
