Based in Portland, Oregon, Black Rock Coffee Bar (NASDAQ: BRCB) is a contemporary coffee chain with locations throughout the West Coast. Through their employee franchise program, employees have the opportunity to open their own locations, ensuring that Black Rock's culture is maintained and consistent at each new location. Currently, there are nearly 160 locations open and in development throughout Oregon, Arizona, California, Washington, Idaho, Texas, and Colorado.

In 2008, three families with experience ranging from construction to coffee teamed up to found Black Rock Coffee Bar. The success of Black Rock can be attributed to its consistent culture; regardless of where the franchise exists, customers are guaranteed a hip, stylish, positive brand experience inside the store and beyond. Black Rock has a variety of store types, including one- and two-window drive thru locations, sit-down/drive thru locations, and sit-down only locations.

Location Overview

Tucson is the second-largest metropolitan area in Arizona with just over one million residents and serves as an anchor to businesses located in the Southern Arizona corridor. Tucson offers its community an outstanding quality of life along with a low cost of doing business. Over the next five years, the metro is projected to add roughly 37,000 new residents.

Tucson is known for an innovative manufacturing industry in a variety of different sectors such as biotech, aerospace, healthcare, defense, optics, solar, information technology and water. Amazon, Raytheon Missile Systems, IBM, Texas Instruments, Intuit Inc., Universal Avionics and the University of Arizona are some of the top employers in Tucson where each has a significant presence within the community. In addition to Caterpillar and Amazon, Comcast and

HomeGoods, all Fortune 500 companies, have added Tucson locations recently. Davis-Monthan Air Force Base, home to 15,000 employees, is a significant driver of Tucson's local economy.

The University of Arizona is an integral part of Tucson. It has been named a Top 20 US public research institution, and enjoys a large student enrollment of 51,000 students and 16,000 administration staff members and faculty. As the city's largest employer, the University of Arizona is a significant economic driver in the metro. In addition to the campus, the university also oversees Tech Parks Arizona, which operates the UA Tech Park at Rita Road, UA Tech Park at The Bridges, and the Arizona Center for Innovation. These facilities offer more than 2 million square feet of high-tech office, R&D and laboratory space.

NET LEASED DISCLAIMER

Marcus & Millichap hereby advises all prospective purchasers of Net Leased property as follows:

By accepting this Marketing Brochure, you agree to treat the information contained herein regarding the lease terms as confidential and proprietary and to only use such information to evaluate a potential purchase of this net leased property.

The information contained in this Marketing Brochure has been obtained from sources we believe to be reliable. However, Marcus & Millichap has not and will not verify any of this information, nor has Marcus & Millichap conducted any investigation regarding these matters. Marcus & Millichap makes no guarantee, warranty or representation whatsoever about the accuracy or completeness of any information provided.

As the Buyer of a net leased property, it is the Buyer's responsibility to independently confirm the accuracy and completeness of all material information before completing any purchase. This Marketing Brochure is not a substitute for your thorough due diligence investigation of this investment opportunity. Marcus & Millichap expressly denies any obligation to conduct a due diligence examination of this Property for Buyer.

Any projections, opinions, assumptions or estimates used in this Marketing Brochure are for example only and do not represent the current or future performance of this property. The value of a net leased property to you depends on factors that should be evaluated by you and your tax, financial and legal advisors.

Buyer and Buyer's tax, financial, legal, and construction advisors should conduct a careful, independent investigation of any net leased property to determine to your satisfaction with the suitability of the property for your needs. Like all real estate investments, this investment carries significant risks. Buyer and Buyer's legal and financial advisors must request and carefully review all legal and financial documents related to the property and tenant. While the tenant's past performance at this or other locations is an important consideration, it is not a guarantee of future success. Similarly, the lease rate for some properties, including newly-constructed facilities or newly-acquired locations, may be set based on a tenant's projected sales with little or no record of actual performance, or comparable rents for the area. Returns are not guaranteed; the tenant and any guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of the lease; cash flow may be interrupted in part or in whole due to market, economic, environmental or other conditions. Regardless of tenant history and lease guarantees, Buyer is responsible for conducting his her own investigation of all matters affecting the intrinsic value of the property and the value of any long-term lease, including

the likelihood of locating a replacement tenant if the current tenant should default or abandon the property, and the lease terms that Buyer may be able to negotiate with a potential replacement tenant considering the location of the property, and Buyer's legal ability to make alternate use of the property.
