WHAT LEADERS SAY

"The strong support we received from state and local organizations was essential to help provide Raytheon with the workforce and infrastructure to meet our growing demand."

Dr. Taylor Lawrence
CEO
Raytheon Missile Systems

Benefits of Tucson Airport Location (TUS)

- Only Arizona airport with 24/7 CBP air cargo handling
- No real property tax for tenants
- Expedited internal TIA plan review and permitting
- Business gateway between Southern Arizona and Mexico
- Direct access to two major highway systems
 - I-10 - one of 3 cross country freeways and only "all weather" interstate
 - I-19 - 60 miles to Mexico border
- TUS tenants include more than 100 companies in MRO, FBO, aerospace, aviation services and air cargo
- TUS property includes up to 5,160 developable acres, both airfield and non-airfield access
- TUS connects to hundreds of destinations around the globe; non-stop to 20 airports

MAJOR AIRPORT AREA EMPLOYERS

- Raytheon Missile Systems
- Bombardier Aerospace
