Castle Rock is an affluent community on the front range of the Colorado Rocky Mountains located between Denver and Colorado Springs. Nestled along I-25, Castle Rock is a town on the rise, with a well-educated population that is estimated to grow to nearly 81,000 by 2025. Castle Rock, which is home to many current and planned master planned communities, will benefit from continued investment in the area. Existing platted single family housing is 61% built out and multi-family housing is 14%. In addition, there are over 4,000 shovel ready lots in Castle Rock.
