## AREA SUMMARY

### TAMIAMI TRAIL LAND

Within a 3-mile radius of Tamiami Trail Land, there are over 12,000 housing units in various stages of development.

In the immediate vicinity, this includes 297 apartment units, 374 single and multifamily homes by DR Horton, and 89 additional single-family homes.

Just south of the property, construction is underway for another 8,438 housing units, with 1,999 more in the permitting phase.

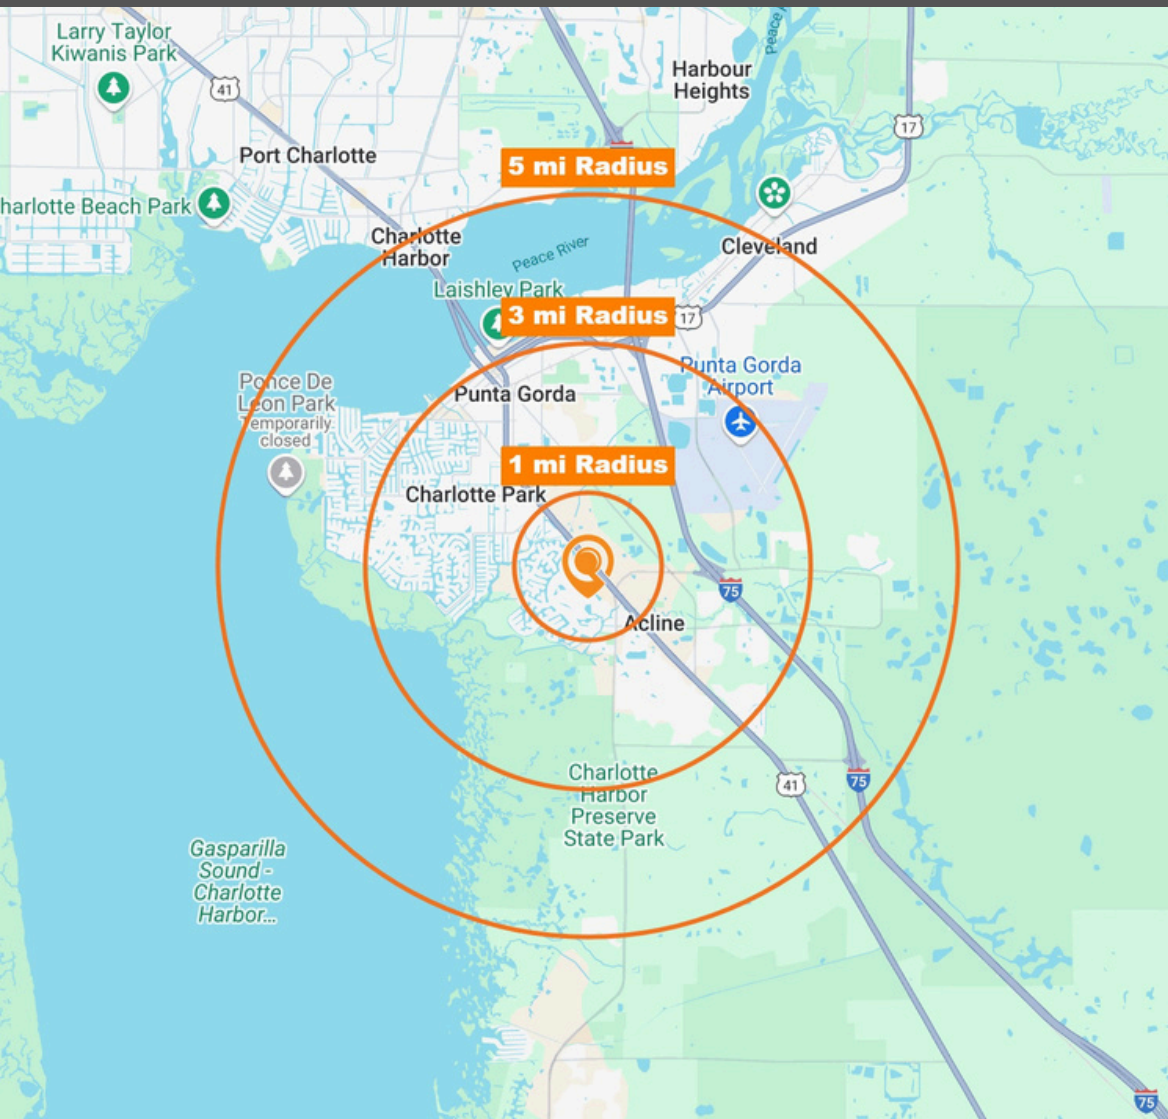

The Jones Loop corridor is emerging as a key retail destination for the area. With highway commercial zoning, this site offers versatile development potential to meet the growing demand fueled by nearby residential growth and increasing retail activity.
