Asheville, situated within the breathtaking Blue Ridge Mountains of North Carolina, serves as the economic engine of the Asheville Metropolitan Statistical Area (MSA), which encompasses the city and its surrounding region. With a Gross Domestic Product (GDP) exceeding \$24.350B, the Asheville MSA has become a notable economic force in the Southeastern United States. Key economic drivers include a burgeoning technology sector, a robust healthcare industry, and a flourishing tourism market, contributing to a low unemployment rate of 2.9% and a median household income of \$58,193.. The area's commitment to sustainability and a burgeoning entrepreneurial spirit further underscore its reputation as an attractive destination for businesses and investors looking to capitalize on the opportunities presented by this unique blend of natural beauty and economic prosperity.

TENANT SUMMARY

Starbucks Corporation is an American global coffee company and coffeehouse chain based in Seattle, Washington. Starbucks was founded in 1985 as a local coffee bean roaster and retailer and has grown into the largest coffeehouse company in the world. There are 33,000+ Starbucks stores in 76 countries, including 15,041 in the United States. Starbucks locations serve hot and cold beverages, whole-bean coffee, micro-ground instant coffee, full-leaf teas, pastries, and snacks. Most stores also sell packaged food items, hot and cold sandwiches, and items such as mugs and tumblers. Starbucks Evenings locations also offer a variety of beers, wines, and small bites after 4pm. Starbucks has a strong presence both in the US and in the global marketplace due in part to its rapid growth over the last few decades. In the 1990s, Starbucks was opening a new store every workday, a pace that continued into the 2000s. The first store outside the United States or Canada opened in the mid-1990s, and overseas stores now constitute almost one-third of Starbucks' stores.
