This property is located downtown Topeka, KS just two blocks West of the Kansas State Capital building. We own the entire block with 69 doors. Many improvements have been made for peace of mind. This building does have a dedicated leasing office and an additional storeroom with bathroom that could be returned to a one-bedroom apartment.

Improvements:

New Windows (2020)

New Roof (2024)

New hallway carpets (2024)

100 Gallon Hot Water Heater #1 (2025)

100 Gallon Hot Water Heater #2 (2020)

New Master Key Deadbolts on all doors (2022)

DVR 16 Camera Security system (2018)

Security Doors (2014)

New Courtyard fencing (2024)

Ten new HVAC systems installed (2024)

Fire Alarm System with cellular monitoring (2025)

New Sidewalk poured in front of building 2020

This property is walkable to restaurants, shops, bus lines, and Walgreens. The building features an attractive unit of mix of 1-Bedroom, and Studio apartments and provides a dedicated parking lot with 37 parking stalls. There is also an enclosed courtyard with access from inside the building for all tenants to use. This property is marketed as all-inclusive which includes Electric, water, trash, and cable.

Property Highlights:

- **\$250,000 in CapEx since 2020: Roof, HVAC, and full unit turns.**
- **98% occupied on average**
- **Heavy lifting is done, with improvements as apartments come empty.**

- **Dependable asset with low maintenance operations and easy to manage footprint.**
- **100% Electric Building**
- **Soda and candy vending machines owned by building in Lobby**
- **Property has one electrical meter**
- **Dedicated laundry room serviced by Jetz. Three washers and three dryers.**
- **Potential additional rent per month with no additional capital improvements. \$1,046**
- **Current storeroom adjacent to leasing office is a one-bedroom apartment that could be remodeled and restored to a usable one bedroom. With a capital improvement of that space, you could add an additional \$9,000 a year in rent.**

General Information:

- **Year Built: 1970**
- **Romex wiring with breaker boxes in laundry room and in apartments**
- **GFCI's in apartments with grounded outlets**
- **Ceiling Fans in all apartments**
- **Cast Iron Sewer Lines**
- **All 1-bedroom apartments have forced air furnaces in ceilings with AC condensers on roof.**
- **All studio apartments have PTAC Heat/AC units installed.**
- **Building has two 100 gallon Hot Water Tanks.**
- **Parking lot has 37 open spaces for tenants. Those spaces could be marked and rented as reserved spaces to create additional income.**
