## INFRASTRUCTURE

Significant infrastructure upgrades are currently in progress as part of the fully funded Western Placerville Interchange project, scheduled under the 2017/2018 fiscal year plan. Construction of the eastbound US 50 off-ramp has been completed, along with ongoing enhancements to Forni Road and the new Park & Ride facility (see enclosed map for details).

The Ray Lawyer Drive extension, connecting to the courthouse and the subject site, includes full underground utility installation. The subject property has rights to connect to all essential services, including sewer. Additional improvements include a new four-way stop at the intersection of Ray Lawyer Drive, providing direct access to the Park & Ride, courthouse, and subject property. This collaborative infrastructure project is fully funded by State, County, and City sources, ensuring timely and complete delivery.
