Class A office, SCIF, ATFP, data center

Site:

500 acres; 4.2M SF currently built out; 2M SF of future development

Ultimate Access to the Missions on Fort Meade

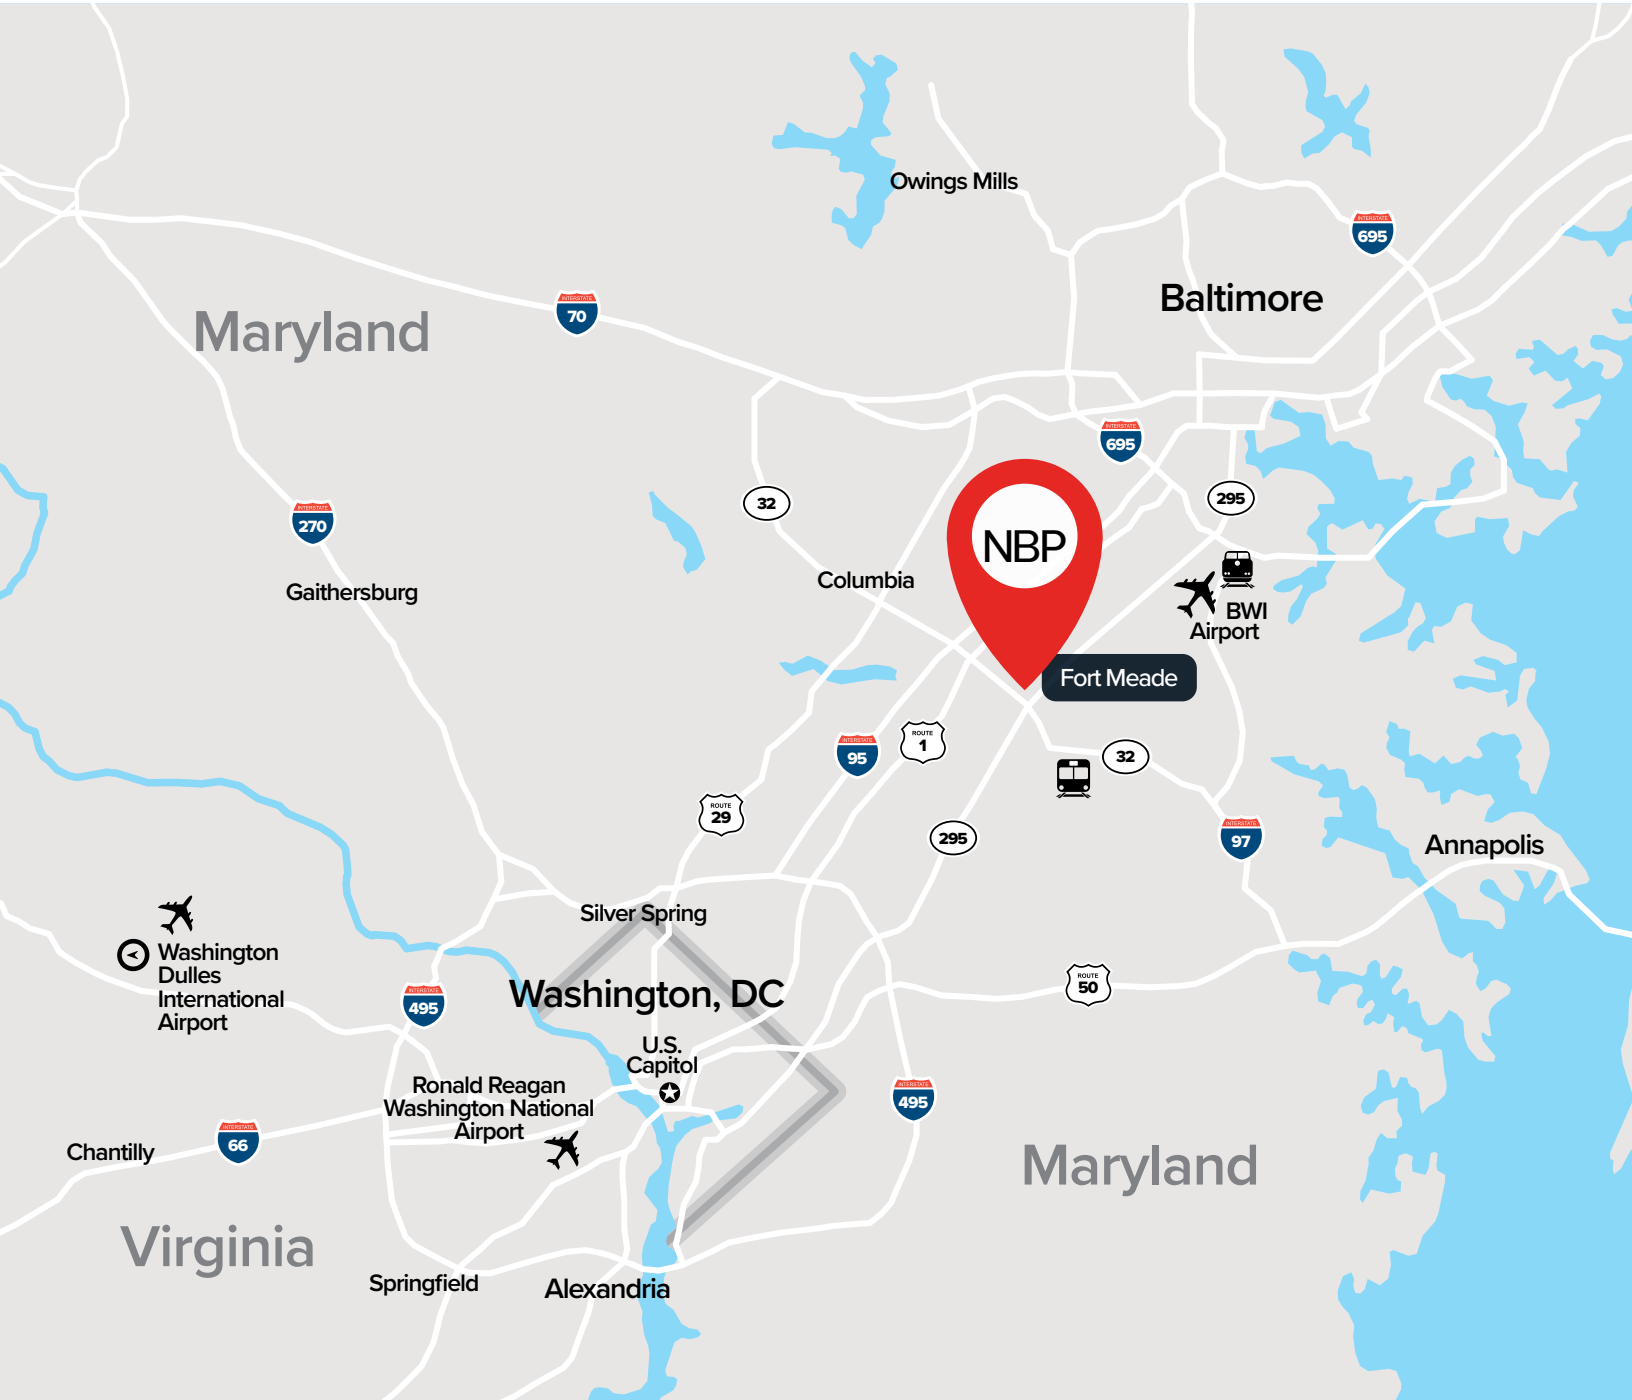

The National Business Park (NBP) is a commercial office and technology park outside one of the main entryways to Fort Meade, the nation's preeminent center for information, intelligence and cyber. COPT Defense Properties has been developing NBP since 1985 designed specifically for the U.S. Government (USG) and Defence Contractors serving the country's Defense/IT missions on Fort Meade.

Located directly across I-295 (Baltimore-Washington Parkway) from Fort Meade, NBP provides tenants with unmatched proximity and access to 120 federal agencies and commands on post, including U.S. Cyber Command, Defense Information Systems Agency and others. NBP is the nexis for contractors that support these federal customers.

Advantages + Key Benefits
