STABILIZED, MODERNIZED & BUILT FOR TODAY'S NEEDS AND TOMORROW'S GROWTH

Recently renovated to accommodate a wide range of commercial uses, 3915 McKinney is now fully leased by a curated mix of creative, service, and industrial operators. From Ambrosia Space and Cowboy Pools to Mir Anwar Studio, Eastwood Realty, and Fifth Vessel Coffee, each suite is tailored to support distinct operational needs while maintaining a cohesive, high-quality environment. This modernized asset offers investors dependable occupancy, strong tenant diversity, and adaptability for long-term value.

COVERED LAND PLAY

30,000 SQFT LOT

3915 McKinney St offers a compelling covered land play strategically positioned within one of Houston's most active redevelopment corridors. The site spans nearly half a city block with triple street frontage—an exceptionally rare configuration that enhances access, visibility, and future planning flexibility. The property provides immediate in-place income while allowing investors to control a high-quality redevelopment opportunity at a favorable basis. Surrounded by accelerating residential and commercial infill, the location benefits from strong demographic momentum, proximity to key transportation arteries, and continued land value appreciation. This is a standout opportunity for investors seeking a scarce, well-located land position with significant long-term upside.
