Monroe Crossing

Route 33 and Joan Warren Way, Monroe

Site Description

- Mixed-use development along the flourishing Route 33 corridor, consisting of approximately 186 townhomes, 48 residential units, with an approximate 11,000 SF retail building constructed with availability of up to 6,189 SF, along with one pad development available adjacent to Taco Bell
- Route 33 provides for quick access to the New Jersey Turnpike, Route 133 and Route 130
- Strong median income levels of approximately \$118,000 within 3 miles and a growing daytime population density of approximately 72,000 within 5 miles, due to the addition of warehousing within the market
- Strong residential growth and surrounded by national/regional retailers, several public & private schools, office complexes, logistics centers and several pharmaceutical companies
