Property Description

This expansive ± 69.82-acre parcel of land in Union City, Oklahoma, offers a prime opportunity for agricultural, recreational, or future development use. Conveniently located just 4 miles west of Highway 81 and 8 miles southeast of I-40 and El Reno, the property boasts excellent accessibility while maintaining a serene rural setting. Zoned for agricultural use, the land is equipped with both water and electricity services, making it ideal for farming, ranching, or other ventures.
