POWERED BY
**INNOVATION &
SUSTAINABILITY**

Setting new standards for sustainability and environmental responsibility.

GEO is designed with a carbon neutral focus – ensuring zero net carbon emissions will result from the building's operation.

- This is achieved by harnessing renewable energy sources and implementing efficient energy usage practices.
- A key feature of GEO is its **innovative Geothermal Heating System**, which uses the earth's natural heat to provide efficient and environmentally friendly heating solutions. This advanced technology significantly reduces our dependence on fossil fuels, thus contributing to our commitment to creating a sustainable future.
- Embrace the future with GEO - where cutting-edge design meets environmental responsibility.

**LEED GOLD AND
ZERO CARBON CERTIFIED**

POWERED BY
CONNECTIVITY

Unparalleled Location

Perfectly located for ease of access, GEO is within close proximity to the intersections of Autoroutes 440 and 13, and Autoroute 440 and Curé - Labelle Blvd., making the site easy to access by vehicle.

The property is also conveniently accessible from Metro Montmorency via Bus 61 and Bus T-11.
