

## HISTORIC CROWN HEIGHTS

Brownstone Real Estate is excited to announce the exclusive sale of 881 St. John's Place - a great opportunity for a rehabilitation or condominium conversion. Located in Brooklyn's Crown Heights Historic District, this impressive property is comprised of 12 residential units in a 26'-wide by 82'-deep building on an oversized lot (26' x 155').

Crown Heights is a thriving neighborhood in the central portion of Brooklyn. It is bounded by Washington Avenue to the west, Atlantic Avenue on the north, Ralph Avenue on the east, and Empire Boulevard on the south. With its proximity to Prospect Heights, many amenities such as the Brooklyn Museum, Brooklyn Botanic Gardens, Central Library, and Prospect Park are nearby. Access to public transportation is also convenient, with four subway lines available at Nostrand Avenue/Eastern Parkway and Franklin Avenue/Eastern Parkway.

Walkthroughs by appointment only.
