FOXROCK

1 ENTERPRISE DRIVE | QUINCY, MA 02171

WELCOME TO 1 ENTERPRISE DR

This 323,493 square foot Class A office building is located just seven miles south of Boston. Situated on 17.85+ acres, the seven-story building was renovated in 2022 and features quality tenant amenities including: a full service cafe, coffee bar, fitness center, conference centers, outdoor seating area, and a daycare center. One Enterprise also features access to multiple loading docks, a freight elevator, and large floor to ceiling windows that provide sweeping views of the ocean and city skyline from the back of the building. Adjacent to the property is a three story 1,350 space structured parking garage which provides tenants a 4.2/1,000 SF parking ratio.

BUILDING SPECS:

BUILDING SIZE

323,493 SF

PUBLIC TRANSPORTATION

7 minute walk to the North Quincy Red Line MBTA station; free shuttle to the MBTA available

HEATING & COOLING TYPE

Gas fired units with water-source heat pumps

HVAC

The building utilizes 6 water-cooled, dx rooftops with gas burners. Vav's with hot water reheats handle the individual office and open area requirements. 2 cooling towers work in parallel to reject heat from the rooftop and kitchen/data loops. 2 boilers with outdoor air resets provide water to the vav reheat loop, kitchen 140° loop, and domestic hot water loop. And the BMS allows individual control and monitoring over all HVAC systems

ELECTRICAL

National Grid provides 13 kv service

EMERGENCY POWER

2 Generators; an 800K Standby generator and a 400k Life safety generator

FIRE LIFE SAFETY

400 KW life safety generator supporting emergency lighting in all areas of building and garage, one building elevator, smoke exhaust fans for stairwells and atrium, fire pump, and fire alarm system

ELEVATOR TYPE

5 passenger cars and 1 freight in the building
2 passenger cars in the garage

FOXROCK FLOW

FoxRock tenants can book a desk, private office, or conference room at any of our FLOW suites, located in our office buildings in Boston, Burlington, Braintree, or Norwell.

HAVE YOU HEARD WHAT ALL THE BUZZ IS ABOUT?

ABOUT FOXROCK FARMS:

FoxRock Farms is a charitable organization whose proceeds are donated 100% to organizations supporting bee repopulation.

The team at FoxRock Farms has planted over 10,000 native plants to feed not only their honeybees, but also at-risk pollinators like butterflies, birds, moths, and beetles. In addition to its two main farms in Norwell & Kingston, the team has installed several apiaries up & down the South Shore (including on the roofs of several properties in FoxRock's portfolio).

The farms produce wildflower honey and fresh organic produce. The team takes great pride in their sustainable agriculture practices.

The FoxRock Farms mission is to build community through education and food accessibility. They strive to educate people on the importance of natural habitats, pollination systems, and organic practices through hands-on experience.

WORKING TOGETHER TO BUILD A STRONGER COMMUNITY

Giving back to our communities is an important part of FoxRock's mission. FoxRock Cares, a vital part of our organization, focuses on charity and giving. Each year, the FoxRock Cares team organizes tenant giveback events, service days for our employees and helps to facilitate monetary and other donations to local charities in need.

HOW YOU CAN GIVE BACK AS A FOXROCK TENANT:

The FoxRock Cares team hosts quarterly charity drives, collecting items from tenants to donate to local families in need. From collecting canned goods in the Fall, to hats & gloves in the Winter, tenants simply drop their donation into a designated bin in the lobby and the FoxRock Cares team does the rest!

HEAR FROM ONE OF OUR PARTNERS:

"FoxRock has been integral to our organization over the past six months – not only have they been willing to help support initiatives that we have already planned, but they have actively reached out about coordinating events specifically to benefit our Agency mission for the families that we serve. We're very grateful for their support and look forward to many more years of collaboration helping Quincy residents in need."

**—BRYNA ROGERS, SENIOR DIRECTOR
QUINCY FAMILY RESOURCE CENTER**

THE FOXROCK COMMUNITY

When you sign a lease at a FoxRock-owned property, you become part of a bigger community. In addition to our tenant charity drives, FoxRock regularly finds ways to engage and excite their tenants. From raffles, to ice cream truck visits, fitness classes, or grab n' go giveaways in the lobby, there is always something fun to do at our buildings.

INVESTED IN THE SUCCESS OF OUR COMMUNITY & TENANTS

FoxRock Properties is a fast growing commercial real estate firm in the Greater Boston area. The FoxRock team has developed a diverse portfolio of properties, primarily along the South Shore, comprising more than five million square feet of medical, biotech, residential, retail, office, and industrial space. FoxRock focuses on projects that strengthen their cities and towns, promote health and wellness, and make positive impacts in the communities they serve. FoxRock's role in the rapid revitalization of Quincy Center is apparent, as it has completed several significant live-work-play, transit-oriented developments, with more planned for the future.

TENANTS IN OUR PORTFOLIO

WHO WE ARE:

- Local, long-term investors deeply rooted in communities we serve
- Creators of spaces and places focused on health and wellness
- Providers of real estate solutions that address problems our communities are facing
- Attentive and responsive on-site property managers

HEAR FROM OUR TENANTS

FoxRock showed a deep understanding of our business needs and worked closely with our National Facility team members and our architects to ensure every aspect of the buildout process aligned with our requirements. Their proactive communication and responsiveness throughout the project were excellent, making the process seamless and efficient. The FoxRock team was incredibly welcoming and hospitable as we transitioned from our former location to our new office location.

We love how our space turned out and how the building provides a real sense of community for our team. Our employees enjoy coming to the office in part because of the effort FoxRock puts into creating a welcoming environment for them - from the tenant amenities and frequent events to charity drives and outreach via newsletters and their app.

– **CHRISTOPHER HAGBERG**

SENIOR OPERATIONS MANAGER
COHNREZNICK, LLP

One thing that separates FoxRock from other landlords we've had is their commitment to proactive communication and responsiveness. Whether it's addressing maintenance requests promptly or informing us of events and activity in the building, their attention to detail is evident every time they reach out. It's reassuring to know that any concerns will be swiftly addressed by FoxRock's property management and on-site building engineering team.
