01 EXECUTIVE SUMMARY

The Opportunity

ASKING PRICE	BUILDING SIZE	PRICE / SF
\$895,000	2,960 SF	~\$302

Graham & Arthur, LLC is pleased to exclusively present the opportunity to acquire 4 Lenox Pointe NE — a polished, two-story townhouse-style office building totaling 2,960 square feet in the heart of Atlanta's Lenox / Buckhead corridor. This is a rare owner-user opportunity in one of Atlanta's most coveted professional submarkets, paired with an in-place upstairs tenant whose monthly rent meaningfully offsets the cost of ownership from day one.

The seller, a long-tenured Atlanta law firm, will deliver the entire 1,480 SF lower level — Suite A — vacant at closing. The downstairs offers four private offices, a large open work area, a dedicated conference / executive office, and three restrooms — an ideal configuration for a growing legal, financial, medical, design, or consulting practice.

The matching 1,480 SF upper level — Suite B — is occupied by Girardot & LaRose, PC, a stable professional tenant on a month-to-month basis at \$3,000 per month, who has expressed a strong desire to remain. The month-to-month structure preserves maximum flexibility for an owner-user: keep the rental income or expand into the upper floor as the business grows.

Inside, the building is in turnkey condition — fresh paint and new vinyl plank flooring throughout (within the last five years), nine-foot ceilings, AT&T fiber availability, a security system, and no known deferred maintenance. A full third-floor walk-up storage attic provides bonus utility seldom found in office condominium product.

Together, the prestige Buckhead address, the turnkey vacant suite, and the income in place make 4 Lenox Pointe a true “occupy your investment” play in one of Atlanta’s most competitive professional markets.

Atlanta's Premier Professional Address

Buckhead is consistently ranked among the strongest office submarkets in the Southeast, anchored by Class-A towers along Peachtree Road, the high-end retail of Lenox Square and Phipps Plaza, and a dense cluster of luxury hotels and residential addresses. The submarket is home to a deep concentration of legal, financial, advisory, medical, and consulting professionals — the natural client base for an asset of this character.

W H Y B U C K H E A D

- **Concentrated professional services demand** — a Buckhead address signals quality and stability to clients in legal, financial, medical, and advisory practices
- **Limited boutique-format inventory** — most Buckhead office product is high-rise or mid-rise office condo. Townhouse-style offices like 4 Lenox Pointe are scarce
- **Walkable amenities** — Lenox Square, Phipps Plaza, hotels, restaurants, and gyms all within minutes
- **Transit & highway access** — GA-400, I-85, and Lindbergh / Lenox MARTA all immediately accessible
- **Long-term tenant base** — the broader Lenox Pointe community supports a stable mix of professional users

Z O N I N G

4 Lenox Pointe is zoned OI (Office / Institutional) under the City of Atlanta zoning code. The classification supports a wide range of professional and institutional uses — including legal, medical, financial, design, consulting, executive-suite, and similar professional service uses. Buyers are encouraged to verify permitted uses with the City of Atlanta Department of City Planning.
