

**\$650,000**

## **607 E Main St**

4 buildings on one property!!! Zoned GB (General Business) The current Garden/Farm Supply Business can be taken over and continued. This property would make a great location for a Downtown event center, Multi-Use or Conditioned Storage Unit Facility. This property has so much potential of use. The smaller building was originally the first Pontiac Dealership in Pilot Mountain, NC. Lots of character in this building. All buildings, business and inventory convey with the sale of the property. Lots of potential for this property. 4 Buildings that can be leased separately or one large site for a buyer that needs multiple buildings.
