

Investment Offering Memorandum

Proposed 55+ Senior Apartment Complex – Saratoga County, NY

This memorandum presents a rare opportunity to invest in a fully planned 55+ apartment complex in the heart of Saratoga County, NY. The county’s growing senior population, long waitlists at comparable affordable properties, and strong demand for both income-restricted and market-rate senior living create a compelling case for immediate development.

Investment Highlights

- Prime Saratoga County location with high demand for senior housing.
- Targeted exclusively to the 55+ market – stable, long-term tenancy profile.
- Comparable properties across the county report months-to-years waitlists, underscoring pent-up demand.
- Opportunity to capture both affordable and market-rate seniors seeking modern amenities.
- Strong competitive positioning against dated subsidized housing stock.
- Saratoga Springs, Ballston Spa, Malta, and Clifton Park submarkets all show high absorption rates for senior units.
- County Section 8 and Public Housing waitlists remain closed or multiple years long, proving demand for new supply.
