

**§ 82.06.040 Industrial and Special Purpose Land Use Zoning District Allowed Uses and Permit Requirements.**

(a) *General Permit Requirements.* Table 82-17 identifies the uses of land allowed by this Development Code in each Industrial and special purpose land use zoning district established by Chapter 82.01 (Land Use Plan, Land Use Zoning Districts, Overlays), in compliance with § 82.02.030 (Allowed Land Uses and Planning Permit Requirements).

(b) *Requirements for Certain Specific Land Uses.* Where the last column in Table 82-17 (Specific Use Regulations) includes a Section number, the referenced Section may affect whether the use requires Site Plan Permit, or Conditional Use Permit or Minor Use Permit, Planned Development Permit, or other County approval, and/or may establish other requirements and standards applicable to the use.

(c) *Allowed Land Uses in the SD Land Use Zoning District.* A special development may allow intermixing of residential, commercial and industrial uses, provided that the review authority determines that there is a specific need for the special development standards. The Special Development Land Use Zoning District may have a suffix to indicate the focus of a particular SD zone. A “RES” suffix indicates that the focus is on residential Planned Development projects. A “COM” suffix indicates that the focus is on commercial Planned Development projects. An “IND” suffix indicates that the focus is on industrial Planned Development projects. However, all can still have mixed uses within these zones.
