Perfectly situated between the downtown business district and Dupont Circle, it is only two blocks from the Dupont Circle metro (Red line) and four blocks from the Farragut West metro (Blue and Orange lines).

The space has two private offices and two cubicles. A total of four to six individuals can comfortably work in this office suite. A large kitchen with granite counter top, a refrigerator, stove top, and dishwasher is also part of the first floor. Current tenants have converted the dinette area of the kitchen into a video conferencing center. A private restroom with a granite counter top is also part of the first floor.
