## Prime Commercial Land in Fountain Hills

### Exceptional Investment Opportunity

Situated in the heart of Fountain Hills, this  $\pm 1.40$ -acre commercial assemblage offers developers a rare opportunity to control one of the town's few large parcels with direct frontage on **N Saguaro Boulevard**—the community's primary commercial corridor.

The site totals roughly **61,184 SF** across three contiguous lots, zoned **C-1 (45,625 SF)** and **C-3 (15,559 SF)**, providing broad flexibility for retail, restaurant, medical, or office development. The property enjoys excellent visibility and a traffic count of approximately **12,000 vehicles per day**, with utilities in place and level topography ideal for efficient site planning.

The **Town of Fountain Hills** has demonstrated a pro-development stance and is open to zoning modifications or variances that enhance future project viability. Surrounded by established businesses, residential neighborhoods, and civic amenities—including nearby **Fountain Park** and community recreation fields—the location supports a wide range of uses from neighborhood service centers to mixed-use concepts with retail and office components.

Developers will appreciate the site's excellent access, infrastructure readiness, and flexible entitlement path, making it well-suited for immediate development or phased investment. Its scale and location offer both convenience and prestige in one of the Valley's most visually stunning and business-friendly markets.
