EXCALIBUR ROAD, CLERMONT, FL 34711

Property Overview

Situated within close proximity to Orlando Health's South Lake Campus, The National Training Center, Advent Health Park and Clermont Landing with big box national tenants, Excalibur Rd provides excellent Visibility. In addition, end users can benefit from being located at a Lighted Intersection with excellent access.

Nicknamed the Choice of Champions®, Clermont is home to elite athletes who take advantage of natural terrain and year-round great weather. More than a few well-known professional and Olympic athletes have lived or trained here, and many others spend at least part of their year here improving their abilities in their sport of choice. Because of this, the state-of-the-art National Training Center is the top destination for athletes of all ages from around the nation and the world.

The local terrain is another highlight for athletes, and not only for training. The numerous lakes in the area, as well as the natural hills of the Florida ridge, are favored by a range of athletes from swimmers to runners and cyclists, and it's one of the reasons why many large-scale sporting events are held here, including the Great Florida Triathlon.
