Dear Mr. Ehrman:

The technical staff of the Indiana Department of Environmental Management (IDEM) reviewed documentation for your facility located at 2509 East 10<sup>th</sup> Street, Anderson, Indiana. The contents of the site file were reviewed, as well as a recent Phase II investigation, performed by DLZ consultants.

This facility was changed to No Further Action status in 1997. After reviewing supporting documentation for the facility, the IDEM maintains that No Further Action is required on site at this time.

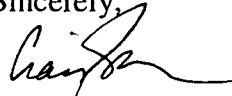

This determination is based upon the review of documentation presented to IDEM. If additional information is subsequently provided, IDEM reserves the right to modify or change the determination as the situation may warrant.
