Property Overview

This thoughtfully designed office suite features eight total offices, including five equipped with sinks, making it well-suited for medical or professional practices. Previously configured as a dental office with five exam rooms, the layout demonstrates proven functionality for healthcare applications while offering flexibility for other professional uses.

The suite includes a kitchen/breakroom, private bathroom, and a customizable floor plan to meet specific operational needs. Central air conditioning and heating provide year-round climate control, while janitorial service for common areas helps maintain professional standards throughout the building.
