

Everything you need to know

What's included in The Enclave membership?

All memberships include high-speed WiFi, coffee and refreshments, convenient front door parking, and access to community events. Private office members also receive 24/7 smart lock access, conference room credits, and premium furniture.

Do you offer private office spaces for teams?

Yes! We offer 11 different private office configurations ranging from intimate 2-person suites (89 sq ft) to spacious 16-person team environments (653 sq ft). Each office features lockable doors, customizable layouts, and premium furnishings.

What makes The Enclave different from other Scottsdale coworking spaces?

The Enclave offers premium office suites with smart door technology, luxury furnishings, and flexible membership options. Our location near Old Town Scottsdale, combined with 24/7 member access and dedicated support, creates an unmatched professional environment for growing teams.

Is there a minimum commitment period?

We offer flexible month-to-month memberships with founding member benefits for those who commit early. Contact us to discuss membership options that best fit your team's needs and timeline.
