PPG PLACE

Highwoods creates environments that foster company culture, collaboration and creativity in an iconic setting. PPG Place, often described as the “Crown Jewel” of the Pittsburgh skyline, stretches three city blocks at the forefront of downtown. The architecturally striking all-glass complex is comprised of six separate buildings totaling 1.5 million square feet of trophy Class A office space. Institutionally owned by Highwoods and professionally managed by JLL, PPG Place offers customizable and distinctive office space opportunities that appeal to tenants ranging from Fortune 500 companies to prominent law firms, design companies, tech users, philanthropic organizations and many more industries.

EASY COMMUTE

A secured bike room, available exclusively to customers, is located on the ground level of Two PPG Place, with maintenance tools provided for your convenience.

Integral to the entire PPG Place complex, a 700 space underground parking garage is available to both customers and their visitors. A \$1.4MM renovation was completed in July 2021, which included equipping the garage with Highwoods proprietary SmartPark technology as well as installation of electric vehicle charging stations.
