61 OPPORTUNITY ZONE DESIGNATIONS

In June 2018, 61 of Nevada's low-income census tracts received official designation as Qualified Opportunity Zones (QOZ) by the U.S. Department of Treasury and the IRS. The tax incentives reduce taxes on realized capital gains that are quickly reinvested into these designated census tracts by providing three benefits:

- The deferral of taxes
- A reduction in taxes by 10 to 15 percent
- The exclusion of capital gains tax on appreciation if held for 10 years
