

# TWO INVESTMENT / OWNER-USER BUILDINGS

HOUSTON, TX

Northmarq is pleased to offer for sale to qualified buyers the opportunity to acquire two vacant office buildings at below replacement cost. The Property is located in Northwest Houston, TX at the intersection of Huffmeister Road and Cypress Corner Lane. The Property was previously used as a highly specialized Autism Center and features a fully built-out interior.

The Property features 2 buildings totaling 31,365 SF sitting on 3.718 acres, which includes all off-site detention. The buildings could be built-out with multiple uses, including a medical campus, church campus, daycare, Montessori, general office (CPA, attorneys, etc) or perhaps a combination of retail / office. Medical offices would do very well as the Property is located approximately 5 minutes north of HCA Houston Healthcare North Cypress, a 163-bed, general acute care hospital.
