

MERRIMACK MEDICAL CENTER

62 BROWN STREET, HAVERHILL, MA

THE OFFERING

Transwestern has been exclusively retained by Ownership to offer qualified investors an opportunity to purchase Merrimack Medical Center (the "Property") located in Haverhill, Massachusetts, suburb of Boston. The five-story, purpose-built outpatient medical property is located at 62 Brown Street with 59,601 rentable square feet. Fee simple location on the Holy Family Hospital campus, which is a 122 bed-acute care hospital featuring comprehensive inpatient medical/surgical units and 24/7 emergency services. The hospital was acquired by Lawrence General Hospital, a non-profit system in October 2024.

Merrimack Medical Center was built in 2005 and is currently 88.50% occupied. The tenants benefit from an on-campus location and connectivity to the surrounding residential communities in the Boston MSA. The property is subject to 20 leases with a WALT of 5.23 years offering investors the opportunity to benefit from predictable cash flow with the ability to create value through active management, lease up of remaining vacancy and the benefit from new hospital ownership with a strong commitment to this campus.

[CLICK HERE TO ACCESS PROPERTY INFORMATION](#)

The property is situated on 1.48 AC, offering ample parking which consists of both surface spaces and garage parking

Well positioned just north of Lincoln Ave which has direct access to downtown Haverhill within a 5-minute drive

Merrimack Medical Center was constructed in 2005 on the campus of Holy Family Hospital

The asset has a long history of medical occupancy, landlord has spent significant capital into the project to attract quality tenants

Lawrence General recently acquired two Holy Family Hospitals committing to the location
