LOCATION ANALYSIS

Monongalia County lies in north central West Virginia with Morgantown as the county seat and home of West Virginia University. The Morgantown MSA regularly ranks a variety of lists pointing to the area's accomplishments in terms of growth, business development, workforce cultivation and more. Morgantown's prominence in both of the recession-resistant sectors of higher education and health care employment is one reason for the stability in the area. The WVU Bureau of Business and Economic Research calls for "continued healthy growth" well into the future.

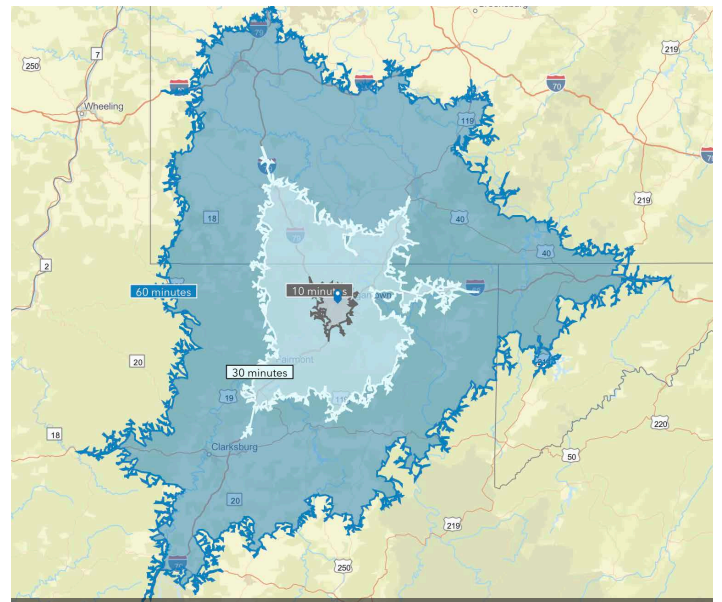

Monongalia County has a total population of 103,960 and a median household income of \$55,376. Total number of businesses is 3,881.

The **City of Morgantown** has a total population of 31,050 and a median household income of \$37,549. Total number of businesses is 1,460.
