Executive Summary

Eshenbaugh Land Company is pleased to present the opportunity to purchase a 10± acre property planned for 300 apartments on a 15-acre lake within the Aqua award-winning master-planned community in Bradenton, FL.

The property is part of the exciting development on Long Bar Key, featuring Aqua's standout amenity: a Crystal Lagoon. Two apartment communities are already underway — Cirrus at Aqua, with 353 units completed in 2023, and The Stadler, adding 279 more units currently under construction. Both developments should be stabilized before this site is ready for its next phase.

In addition to its location near the internationally renowned IMG Academy, the property sits immediately to the south of an upcoming 47-acre retail center (Infill Town Center), to be developed by Casto at Cortez Road and 75th Street W. The project will include 161,500± square feet of retail space with plans for a 55,000 square foot Publix grocery store, offering convenience and further enhancing the area's appeal. This retail development will be part of the greater SeaFlower at Lake Flores community. SeaFlower at Lake Flores will be a mixed-use community built on 1,175 acres previously used as a flower farm for more than 80 years. The first phase of development will include 1,063 residential units, 600 apartments, 250 hotel rooms and 350,000 square feet of office and retail space. Phase II, on the east side, will include 3,000± future homes.

Our client anticipates a full recovery in the apartment rental market by 2027. With this outlook, they are offering the site with a 90-day inspection period, followed by a closing 9 months later, secured by a significant non-refundable deposit at the end of the Inspection Period.

Bradenton, FL

Bradenton is experiencing a surge of growth and development that is transforming it into a vibrant and dynamic city. One of the standout projects is the SeaFlower at Lake Flores community. Designed to be a walkable neighborhood, SeaFlower will feature a main street area called the Village Square, where residents can enjoy shopping, dining, and entertainment. It will be anchored by amenities like a park, clubhouse, fitness center, pool, and nature preserve, providing residents with space to relax and connect.

In downtown Bradenton, the city council has approved a major redevelopment plan that will transform the area along the Manatee River. This project will bring new mixed-use spaces, contributing to the overall revitalization of the downtown area. The aim is to create a cohesive, modern downtown that attracts businesses, residents, and visitors.

Additionally, Bradenton's Riverwalk is a true gem, stretching three miles along the Manatee River. Recently expanded by 1.5 miles, it connects the city from the west downtown area to Mineral Springs Park in the east. The Riverwalk not only offers beautiful views and a great space for outdoor activities but also hosts events like the Bradenton Blues Festival, drawing thousands of visitors each year. It has become a hub that links local businesses, bars, and landmarks, making it a central point for community engagement and growth.

All these developments signal a bright future for Bradenton, blending its natural beauty with smart, sustainable urban growth. Whether you're considering it as a place to live or invest, the city is rapidly evolving and positioning itself as one of Florida's premier destinations for families and professionals alike.

Aqua

The award-winning master-planned community of Aqua in Bradenton, FL, is celebrated for its seamless blend of luxury living and natural beauty. Anchored by a breathtaking lagoon, Aqua's resort-style amenities and serene surroundings create a tranquil retreat for residents. Meandering walking trails, lush parks, and thoughtfully designed green spaces encourage an active and healthy lifestyle, making Aqua a welcoming sanctuary where residents can connect with nature and each other.

The Aqua Townhomes, elegantly positioned along the lagoon, offer contemporary designs with spacious, open floor plans, premium finishes, and private patios or balconies that capture stunning water views. These townhomes provide the ideal combination of convenience and sophistication, perfect for those seeking a low-maintenance lifestyle without compromising on comfort or style.

Adding to the community's allure, The Stadler by Thompson Thrift and Cirrus at Aqua, recently acquired by West Shore, offer distinct residential options to suit a variety of preferences. The Stadler showcases beautifully crafted single-family homes with expansive living areas, gourmet kitchens, and generous outdoor spaces for entertaining. Cirrus at Aqua, an exclusive collection of upscale apartments, features resort-like amenities, including a state-of-the-art fitness center, a sparkling pool, and inviting communal spaces. Together, these properties solidify Aqua's reputation as Bradenton's premier destination for exceptional waterfront living.

About Eshenbaugh Land Company

Whether it's urban infill or wide-open undeveloped land, you need a local brokerage team on the ground and in the know to make complex land deals happen. That's Eshenbaugh Land Company.

Our collaborative team of experienced brokers blends deep knowledge of all things land, trusted relationships with all the local players, and an ethical, down-to-earth character inspired by our founder's cowboy roots. With over two billion in land sales over our 30-year history, one thing we are known for is getting land sold for top dollar.

At Eshenbaugh Land Company, it's our rare knowledge of all aspects of land that gets deals done – and gives our clients confidence and a sense of ease every step of the way. The teams walk the soil of every property we represent. We know about diverse wildlife and their habitats on the land, about environmental characteristics, about easements and entitlements, and about the history of the sub-markets. The Dirt Dog team knows what to ask to uncover issues, what the value should be, and whom to go to for bringing deals together. And they do it all with respect for their clients, each other, and the land itself.
