SUMMARY

Target Industries/Opportunities: Leveraging the Value of an Airport Location

- **Focus on Aerospace & Defense:**
 - Maintenance, Repair and Overhaul
 - Flight Schools
 - Aerospace Manufacturing
- **Focus on Transportation and Logistics.**
- **Establish a Foreign Trade Zone.**
- **Promote Opportunity Zone designation.**

Land Use/Infrastructure: A Path for Economic Growth

- **Establish a new airport terminal and entrance.**
- **Construct a limited access expressway linking new terminal, entrance and I-10.**
- **Develop Tucson Airport Authority's available land to a shovel ready status.**
- **Expand airside land availability.**
- **Evaluate the efficacy of an east-west rail line to connect the open land south of the airport to the Port of Tucson.**

Stakeholder Engagement: TUS as the Community's Airport

- **Expand on Sun Corridor Inc. partnership.**
- **Create an entity whose sole focus is commercial/economic development at the airport.**
