Chapter 2.6: Employment Districts

Sections:

- 2.601 Purpose
- 2.602 Employment Districts
- 2.603 Land Use Regulations
- 2.604 Site Development Regulations
- 2.605 Additional Use and Development Regulations

2.601 Purposes

The purposes of employment districts established in this Chapter are to:

- A. Provide for a range of employment uses at appropriate intensities and locations.
- B. Protect areas for employment uses from incompatible uses.
- C. Protect adjacent uses from potential adverse impacts of employment uses by setting forth standards for compatibility.
- D. Provide for professional and general office uses at appropriate scales and locations.
- E. Establish a district for uses that combine service, retail and light industrial activities.
- F. Ensure land use compatibility with residential and other adjacent uses.
- G. Encourage quality and variety in building and landscape design.
- H. Improve the appearance of properties from public rights of way.

2.602 Land Use Regulations

The employment districts are:

Office (O). This district permits small to medium scale, single- or multi-story medical, professional, and service-type office uses.

Service Business (SB). This district permits a combination of light industrial, service and retail uses, often in structures built for light industrial activity. Manufacturing, contractors' yards and uses requiring frequent visits by heavy trucks are not permitted.

Light Industrial (LI). This district permits employment uses of moderate intensity such as assembly, light manufacturing, processing, vehicle and

equipment service, research and development, general offices, storage and distribution.

General Industrial (GI). This district permits more intense employment uses that may not occur in buildings and that require access for heavy trucks, such as manufacturing, food and materials processing and packaging, warehousing and storage, waste management, motor vehicle and heavy equipment storage and repair, utilities and freight/truck terminals.

2.603 Land Use Regulations

- A. **Regulations.** Table 2.603: Land Use Regulations – Employment Districts sets forth the land use regulations for employment districts. The regulations for each district are established by letter designations as follows:

"P" designates permitted uses.

"L" designates uses that are permitted subject to certain limitations. Number designations refer to the limitations listed at the bottom of Table 2.603: Land Use Regulations – Employment Districts.

"T" designates uses that are permitted to be conducted for a temporary period of time. Time limitations are listed in Table 4.509: Temporary Uses.

"A" designates uses that require an Administrative Use Permit pursuant to Chapter 5.4: Use Permits.

"C" designates uses that require a Conditional Use Permit pursuant to Chapter 5.4: Use Permits.

- B. **Unlisted Uses.** Uses are defined in Chapter 6: Glossary. If a proposed use is not listed in the Glossary, the Planning and Zoning Officer shall determine if the proposed use is substantially similar to a permitted use; in that event, the Planning and Zoning Officer shall assign the proposed use to a permitted use definition.
- C. **Prohibited Uses.** Uses not listed in Table 2.603: Land Use Regulations – Employment Districts below, or not assigned to a Use Definition pursuant to Section 2.603.B: Unlisted Uses, are prohibited.
- D. **Additional Development Regulations.** Additional use and development regulations for employment districts are set forth in Section 2.605: Additional Use and Development Regulations.

PROFESSIONAL BACKGROUND

With over 25 years of Commercial Real Estate Experience, Jace continues to exceed expectations with his client focused approach and dedication to building lasting relationships with his clients. While working with investors and clients within the commercial real estate industry, Jace has developed a unique and diversified skill set to assist clients and maximize their objectives.

His multidisciplinary commercial real estate background has provided consultative and real estate brokerage services ranging from complex land assemblage assignments, development, 1031 tax deferred exchanges, acquisition and syndication of commercial properties, and structuring a firm dedicated to providing client centered commercial real estate brokerage services and full service asset management and property management services.

EDUCATION

As a graduate of Purdue University and The Krannert School of Business, achieving a bachelor of science degree in Management & Finance, Jace initially pursued his sales and management interests within the financial world with Prudential Preferred Financial Services, specializing in estate planning and small business planning. This established his passion for client interaction and desire to help others achieve their financial goals. He then turned to the real estate arena and joined his father in the mid 1990's to further his career and begin the evolution of Murray Commercial. As the firm has evolved to become a full service real estate brokerage and asset management company, he has been instrumental in enhancing the firm's ability to provide best of class services within the commercial real estate industry.

MEMBERSHIPS

Active throughout the community and a lifetime resident of the St. Charles area, Jace continues to be active in many volunteer activities and philanthropic support of our communities. He is currently an active board member of the Northwestern Memorial Foundation and past board member of the Delnor Health System.
