 305 of Property enrolled in the Clean and Green Program may result in the loss of program enrollment and the loss of preferential tax  
 306 assessment for the Property and/or the land of which it is a part and from which it is being separated. Removal from enrollment  
 307 in the Clean and Green Program may result in the charge of roll-back taxes and interest. A roll-back tax is the difference in the

 315 between the owner and county is binding upon any Buyer of the Property during the period of time that the covenant is in effect  
 316 (5 or 10 years). Covenants automatically renew at the end of the covenant period unless specific termination notice procedures  
 317 are followed. When a breach of the covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back  
 318 tax is the difference in the amount of taxes paid and the taxes that would have been paid in the absence of the covenant. The  
 319 roll-back taxes are charged for each year that the Property was subject to the covenant, limited to the past 5 years.
