LOT DIMENSIONS

Sec. 3-9-33. - Residential single-family (RSF).

- (a) *Intent.* The purpose and intent of these districts is to provide for single-family residential dwellings and other uses normally associated therewith. Among RSF-2, RSF-3.5 and RSF-5 districts, there are variations in requirements for lot area, width, and certain yards.
- (b) *Permitted uses and structures (P):*
- (1) Assisted living facility or day care center, adult, six (6) or less. (See section 3-9-62, assisted living facility.)
 - (2) Emergency services.
 - (3) Manufactured home (DCA), minimum requirement is one hundred fifty (150) miles per hour exposure C.
 - (4) Minor home occupation. (See section 3-9-75, home occupations.)
 - (5) Model home. (See section 3-9-79, model homes.)
 - (6) Noncommercial boat docks.
 - (7) Park, public or not-for-profit.
 - (8) Single-family detached, which may have a guest suite that is structurally attached, with or without cooking facilities.
 - (9) Telecommunications facility, fifty (50) feet or less in height. (See section 3-9-69, communication towers.)
- (c) *Permitted accessory uses and structures:* Uses and structures which are customarily accessory and clearly incidental to permitted uses and structures, including approved conditional or special exception uses, are permitted in this district, including, but not limited to:
- (1) Accessory structures, including, but not limited to, garages, carports and sheds.
 - a. Detached accessory structures greater than two hundred fifty (250) square feet but no greater than four hundred (400) square feet in area, must be DBPR approved or otherwise meet the Florida Building Code. All roofs must be pitched and include overhangs and eaves which meet current building codes. Rounded corners are prohibited. These structures are allowed with metal siding in the same color as the primary structure. If an exact color match is not possible a complimentary and not contrasting color may be allowed.
 - b. Detached accessory structures, greater than four hundred (400) square feet but no greater than one thousand five hundred (1,500) square feet in area allowed with wall or leg heights no more than twelve (12) feet tall as measured from the point of installation (grade level). Any increase in wall or leg height greater than twelve (12) feet may be allowed with an increase of required setbacks (all sides) of five (5) feet for every one (1) foot of height increase. All roofs must be pitched and include overhangs and eaves which

meet current building codes. Rounded corners are prohibited. These structures are allowed with metal siding in the same color as the primary structure, if an exact color match is not possible a complimentary and not contrasting color may be allowed.

- c. Detached accessory structures, greater than one thousand five hundred (1,500) square feet must be site built and constructed of the same materials as the primary structure. Any increase in wall or leg height greater than twelve (12) feet may be allowed with an increase of required setbacks (all sides) of five (5) feet for every one (1) foot of height increase. All roofs must be pitched and include overhangs and eaves which meet current building codes. Rounded corners are prohibited. Colors must match those of the primary structure.
 - d. The total area of all detached accessory structures shall not exceed ten (10) percent of the parcel size or one thousand (1,000) square feet, whichever is greater, for a property less than one-half acre in size. If the property is one-half (½) acre or more in size, the total area of all detached accessory structures shall not exceed three thousand (3,000) square feet. The property owner may apply for a special exception to exceed the total maximum accessory structures size limitations contained in this section.
 - e. If the structure is accessory to a multi-story primary structure, the sidewall heights shall be allowed to be the same as those of the primary structure with no requirements to increase the setbacks.
 - f. Detached accessory structures shall be located behind the leading edge of the living area of the residence except garages and carports, which must still maintain required setbacks.
 - g. Construction trailers and cargo containers are prohibited.
- (2) Non-commercial boat docks, boat lifts, and boat ramps.
