This exceptional turn-key brewery and restaurant opportunity is strategically located off Highway 119 in unincorporated Weld County, while offering the advantages of a Longmont address. The property boasts a prime, high-visibility location with easy access to local and regional traffic.

Designed for seamless operations, this establishment is equipped with state-of-the-art brewing facilities, a fully operational kitchen, and a unique dining area. The interior currently features a sci-fi theme but can be easily adapted to suit a variety of concepts. It includes a welcoming entrance area with a built-in café, a full bar, multiple booths, a stage area, upstairs seating, and an outdoor patio, providing a versatile and inviting space for guests. Ample parking and outdoor seating further enhance its appeal.

With its thriving location near Longmont's vibrant community and the ability to serve a growing market, this property is a unique investment for those seeking immediate operational potential in Colorado's dynamic craft beer and culinary scene.

In addition to the turn-key brewery and restaurant, the sale includes an adjacent parcel of land, offering incredible added value and future development potential. This parcel is equipped with a 1" water tap, valued at \$200,000, and provides ample parking to accommodate patrons. The additional land opens the door to a variety of possibilities, from expanding the current operations to developing new complementary ventures, making this property a truly versatile investment opportunity.
