Property Overview

Prime Redevelopment Opportunity on Albany Post Road

Discover 3167 Albany Post Road, a prime ± 0.60 acre commercial parcel in the heart of Buchanan's bustling commercial corridor. This standout property, currently featuring an established automotive service building, presents an exceptional chance to transform the site into a vibrant mixed-use development, moving beyond its past automotive use to unlock greater potential with retail, office, residential, or hybrid commercial spaces.

Enjoy prime frontage and high visibility along Albany Post Road (with seamless access to Route 9 and nearby Westchester communities). Flexible zoning supports a wide array of commercial and mixed-use possibilities, ideal for developers, investors, or owner-users seeking to create an income-generating, modern asset in a market with limited comparable supply.
