

SECTION 47-13 B-3 GENERAL BUSINESS DISTRICT

The purpose of this District is to provide for certain commercial, wholesale and light industrial uses that are transportation oriented. Proximity to high capacity transportation ways combined with fairly level sites are important. These permitted uses are not usually reliant on neighborhood convenience, but tend to be region serving.

47-13.1 PERMITTED PRINCIPAL USES

No land shall be used or occupied and no building or structure shall be designed, erected, enlarged, occupied or used other than for one of the following uses:

A. Those uses permitted as of right pursuant to Section 47-10.1, Section 47-11.1 and Section 47-12.1.*

* Ordinance #16738; 12/7/10

B. The following uses, provided no part of a building occupied by such uses shall have any openings other than stationary windows or required fire exits within one hundred (100) feet of any single family or one and two family residential zoning districts:

1. Animal hospital, veterinary clinic or kennel.
2. Bowling alley, pool hall or billiard parlor, dance hall, bar or cocktail lounge, night club, microbrewery, brew pub, and similar enterprises.
3. Carpenter shop, electrical, heating, ventilating, sheet metal or plumbing shop, furniture upholstery shop, printing, publishing, engraving or lithographing plant, laundry and dry cleaning shop, sign painting shop, canvas tenting and awning repair and assembly shop and similar establishments.
4. Laundries, clothes cleaning or dyeing establishments.

C. Automobile service stations and mini-marts, subject to the provisions of Section 47-17.26;

D. SEE SECTION 47-13.2A(G)*

* Ordinance # 12154; 12/15/98

E. Outdoor advertising signs, subject to the variation and other provisions of Section 47-17.21;

F. Bottling of soft drinks or milk, or distribution stations, provided no part of a building where bottling is done shall have any openings other than stationary windows or required fire exits within three-hundred (300) feet of any residential zoning district;

G. Building material sales yards, if enclosed on all sides by a solid wall or fence not less than six (6) feet in height;

H. Unlighted baseball field, bathhouse, or boathouse, golf driving range, skating rink, swimming pool, or similar unlighted open air recreational uses and facilities, but not within two-hundred (200) feet of any single family or one and two family residential zoning district. Pedestrian lighting and security lighting shall not be considered "lighting" for the purpose of this provision;

- 1. Commercial greenhouses, including accessory outdoor sales of seasonal stock in trade, but only if such items are sold and stored more than one hundred (100) feet from a residential zoning district;
- J. Commercial parking lots, subject to the provisions of Section 47-17.17;
- K. Motels or motor hotels, subject to the provisions of Section 47-17.17;
- L. Theaters, including outdoor theaters, provided the latter are at a distance of at least two hundred (200) feet from any public right-of-way and four hundred (400) feet from any residential zoning district;
- M. Wholesale business; *
- N. Any other use of the same general character as the foregoing permitted uses, but not including any use which may become noxious or offensive in a B-3 District.**
- O. Firearms dealers and gunsmiths (e.g. firearms repair shops/any person who provides a service of designing, manufacturing and/or repairing firearms) provided:
 - 1. Shall not be located in the same structure or building with any other business of any type unless the shared walls separating the businesses are of masonry construction.
 - 2. The exterior walls of the structure are to be of masonry construction. Alternative construction materials which afford equivalent protection may be permitted if approved by the building inspector.
 - 3. All exterior entrance points and window points of the building shall be gated and/or barred when the building is unoccupied. No gating, barring, or other security devices used shall be mounted to the exterior of the building. The use of gating and security devices on exit doors will need emergency override devices to allow for exit in case of an emergency inside the building. If the emergency override devices require electricity to operate, they shall be served by an alternate 12-hour power supply that automatically activates in the event of a power failure.
 - 4. The entire interior of the building (except bathrooms) must be covered with video surveillance cameras. The video surveillance camera recorders must be located in a secure location. Parking lots as well as any exterior wall breach, such as doorways or windows must be maintained under video surveillance as well. Lighting must be supplied to ensure that the installed cameras are capable of recording all activity at such lumens that will allow easy identification of any persons coming into their view, and such light must be maintained 24 hours a day.
 - 5. No firearms shall be displayed in any manner which would cause such exhibit or display to be visible to persons outside of the premises during hours the business is not open.
 - 6. A safe must be provided on site that is of sufficient size to accommodate all firearms and firearms parts on site at any given time. All firearms and firearms parts must be

L. Travel-trailer parks/campgrounds and RV parks may be established and maintained in this district as a special use in accordance with the following regulations:

1. Location and access: No travel-trailer park shall be located except with direct access to a major arterial or state highway, and with appropriate frontage thereon to permit appropriate design of entrances and exits. No entrance or exit from a travel-trailer park shall be permitted through a residential district, nor require movement of traffic from the park through a residential district.

2. Spaces for occupancy-uses permitted and length of stay: Spaces in travel-trailer parks may be used by travel-trailers, equivalent facilities constructed in or on automotive vehicles, tents, or other short-term housing or shelter arrangements or devices. Spaces shall be rented by the day only, and occupant of such space shall remain in the same trailer park not more than seven (7) days.

3. Accessory Uses: Management headquarters, recreational facilities, coin-operated laundry facilities and other uses and structures customarily incidental to operation of a travel-trailer park are permitted as accessory uses in any district in which trailer parks are permitted. In addition, stores, restaurants, beauty parlors, barber shops, and other convenience establishments shall be permitted as accessory uses in trailer parks in

districts where such uses are not permitted as accessory uses, subject to the following restrictions:

a. Such establishments and the parking areas primarily related to their operations shall not occupy more than ten percent (10%) of the area of the park.

b. Such establishments shall be restricted in their use to occupants of the park.

c. Such establishments shall present no visible evidence of their commercial character which would attract customers other than occupants of the park.

4. Toilets, showers, and other essential plumbing fixtures shall conform to the Illinois State Plumbing Code and the Illinois Department of Public Health's Rules and Regulations for Recreational Areas.

5. Site planning and required improvements, general objectives: Site planning and improvements shall provide for:

a. Facilities and amenities appropriate to the needs of the occupants

b. Safe, comfortable, convenient, and sanitary use by occupants under all weather conditions to be expected during periods of occupancy

c. Protection of occupants from adverse environmental influences, and where appropriate, protection of the neighborhood from adverse influences within the park

6. Relation of spaces to exterior streets: In addition to yard requirements applying generally within districts, the following limitations shall apply with respect to travel-trailer parks. No space shall be so located that any part intended for occupancy for sleeping purposes shall be within 50 feet of the right-of-way line of any major or minor arterial street, or within 25 feet of the right-of-way line of any collector or local street as shown on the Official Street Classification Map.

7. Design of access to park: Entrances and exits to travel-trailer parks shall be designed for safe and convenient movement of traffic into and out of the park, and to minimize marginal friction with free movement of traffic on adjacent streets. All traffic into and out of the park shall be through such entrances and exits. No entrance or exit shall require a turn at an acute angle for vehicles moving in the direction intended, and radii of curbs and pavements at intersections shall be such as to facilitate easy turning movements for vehicles with trailers attached. No material impediment to visibility shall be created or maintained which obscures the view of an approaching driver in the right lane of the street within (1) 100 feet where the speed limit is less than 45 m.p.h. or (2) 150 feet where the speed limit is 45 m.p.h. or more, of any portion of the approach-lane of the accessway within 25 feet of its intersection with the right-hand lane of the street.

8. Off-street parking, loading, and maneuvering space: In connection with use of any travel-trailer park, no parking, loading, or maneuvering incidental to parking or loading shall be permitted on any public street, sidewalk, or right-of-way, or any public grounds, or on any private grounds not part of the trailer park unless the owner has received written permission for such use. Each trailer park shall provide off-street parking, loading, and maneuvering space located and scaled so that the prohibitions above may be observed, and park owners shall be held responsible for violations of these requirements.

9. Sign Control: Signs shall be erected and maintained in conformance with Section 47-17.21 of the Zoning Ordinance of the City of Joliet.

10. External yard requirements: A fifty (50) foot setback with protective screening or fencing shall be required on property boundaries adjacent to a public right-of-way. Those property boundaries adjoining private property shall require a setback of twenty-five (25) feet with protective fencing.*
