PROPERTY SPECIFICATIONS

PROPERTY SPECIFICATIONS

Designed with functionality and visibility in mind, the upper level of each building will face Easton Mill Road at street level, providing excellent exposure and convenient access for office or retail users. Available suite sizes will range from approximately 2,250 to 6,750 (+/-) square feet, allowing flexibility for a variety of business types, from professional offices and medical users to showroom, service, and retail concepts.

The lower level of the buildings will be tailored toward flex and industrial users, offering practical loading and operational capabilities through overhead doors accessible from the rear of the property. This design creates an efficient separation between customer-facing spaces and operational or warehouse components, making the development ideal for businesses requiring a combination of office, showroom, storage, distribution, or light industrial functionality.

Additional features will include off-street parking for tenants and customers, modern construction, and convenient access to surrounding commercial corridors and major transportation routes throughout the Morgantown area.
