**STANDARD CONDITIONS, RESERVATIONS AND COVENANTS GOVERNING THE SALE OF REAL PROPERTY:**

The attention of all prospective buyers is called to the fact that each and every Offer for Purchase of Fee Simple Property submitted to the State Highway Administration (SHA) and sale of Real Property by SHA shall be subject to each and every condition hereinafter set forth, in addition to any "Special Stipulations" as set out in the Offer for Purchase of Fee Simple Property or other documents which apply to the specific property or properties. **It is therefore of the utmost importance that all buyers carefully review** these "Standard Conditions, Reservations and Covenants Governing the Sale of Real Property" as well as the "Additional Conditions and Disclosure Information" and other documents governing the sale before submitting any offer or executing a right to reacquire property under the provisions of Section 8-309 of the Transportation Article of the Annotated Code of Maryland (§8-309).

1. Except as otherwise provided in § 8-309 or other governing law, the SHA reserves the right to reject any and all offers to purchase or acquire any property offered for sale by the SHA and it reserves the right thereafter to sell any or all of said premises at public or private sale in whatever manner the SHA may determine, without any further obligation or liability to the buyer.
2. Under the provisions of §8-309:
  - a. If the parcel is sold at Public Auction it is only necessary for the MDOT SHA Administrator to execute and deliver the deed conveying the land to the buyer.
  - b. Except for parcels sold at Public Auction, the deed conveying this property must be executed by the SHA Administrator and the Board of Public Works (BPW); therefore, no offer of this type is accepted and no sale of this type is final until the BPW has approved it. Additionally, no sale of this type is final until delivery of the executed deed.
3. The special SHA plat or plats (if any) prepared for the property now being considered show only the approximate boundaries of said property. Said boundary lines were not established by actual survey and, therefore, any additional surveys that the buyer may elect to have made to further satisfy himself or herself as to the exact boundary lines of said property shall be performed at the sole expense of the said buyer.
4. Any title examinations that the buyer may desire to make shall be made at the sole expense of said buyer.
5. The buyer shall assume the cost of all recording fees and charges and State and Federal Revenue Tax charges and other similar expenses, which may be required in order to record any deed or deeds to the property being offered for sale. If the Deed is not recorded within 30 days after the date of settlement MDOT reserves the right to pursue all remedies including, but not limited to: a) recording a duplicate original deed executed by the Board of Public Works in the Land Records; b) recovering all damages caused by the failure to record the Deed including, but not limited to, recording fees and property taxes advanced in connection with the recording and all staff time; and/or c) seeking a declaratory judgment that the sale was a nullity, reselling the property, and refunding the balance of any funds already paid after all damages incurred by the failure to record the Deed have been calculated and deducted by MDOT.
6. The quit claim deed or deeds by which the SHA will convey said property to the buyer will convey all of the SHA's right, title, and interest as conveyed to the SHA by the deed or deeds on record to the SHA for the land covered by the proposed sale. The said deed or deeds to said buyer will contain the following reservations, restrictions and covenants, which shall run with and bind the land to be conveyed, and which shall also be binding upon the buyer (grantee) and the heirs, successors and assigns of said grantee forever.

Where BPW approval is required no sale is final until the BPW approves the sale and the deed executed by the BPW is delivered.
12. If the buyer should fail to transmit a certified or cashier's check covering the balance of the sales price to the SHA within 90 days of the date he/she is notified (Notice of Approval of Sale) that the executed deed is ready for delivery, then the SHA may automatically retain the full amount of any "deposit monies" held and thereafter dispose of the property in whatever manner the SHA may determine, without any further obligation or liability to the buyer, who thus fails to pay the balance due as specified.
