

About Ledyard Center

Ledyard Center LLC is a former school built in 1961. Some of our current tenants are even alumni of this school! We hope to create a place for small businesses to thrive and succeed. Our goal is to bring your dreams to life and continue the legacy of this beautiful institution. The inside spaces we offer are completely customizable. We will fit out your space to your exact specifications if need be. We have plenty of budgeting options available. Don't believe us? Come check us out for yourself!
